New chief and deputy chief for Stanhope Fire Department

Effective Thursday, August 16, 1979 at 8 p.m., Mr. George Wilson of Twin Rocks Resort on Lake Kushog will become the new fire chief for Stanhope Township.

Mr. Wilson has had previous experience in the Pickering Fire Department where he served for a number of years as Captain prior to moving into the area.

Assisting the new chief will be Harold Barjarow, a Stanhope resident and former fireman serving as deputy fire chief in the department.

Stanhope council have appointed both men to their respective positions by by-law, and will receive applications for the positions of firemen at a public meeting set for the same evening — Thursday, Aug. 16 at the Stanhope Community Centre on the North Shore Road at 8:00 p.m.

Seven people injured in single vehicle collision near Redstone

REDSTONE LAKE — At about 2:45 pm on Saturday afternoon, a 1972 car was southbound on Hwy. 519, south of Redstone Lake landing when it went out of control and rolled over twice on the roadway.

The driver, Lorne Sokol 19, of Toronto and six other passengers all suffered minor injuries.

The injured people all of Willowdale, were Stuart Brown 18, Gilbert Benamov 19, treated at hospital, Mark Mockley 16, Ron Tokayer 16 and two juveniles, both 15. Damage has been set at \$2500 by PC Brian Dunham.

Minden OPP investigate three mischief reports, charged one

MINDEN — On July 29th in Guilford Twp., Minden OPP received a report from Jurgen Guggolz of Toronto that some old TTC buses he owns had had their windows smashed in. Damages have been set at \$1000 and investigation continues.

On Aug. 5th at 11 pm, James Alexander Cannon was charged with public mischief, following a report to police that he had been stabbed in a fight. Investigating Constable Al Bibby revealed that there had been no stabbing and that the injury was self inflicted when Cannon fell running through a field. He was treated at Minden hospital and then transferred to Lindsay. Court date has been set for Oct. 9th.

Janet Bionda of Petawawa, will probably be one young lady who will not return to the Dorset area for a long, long time.

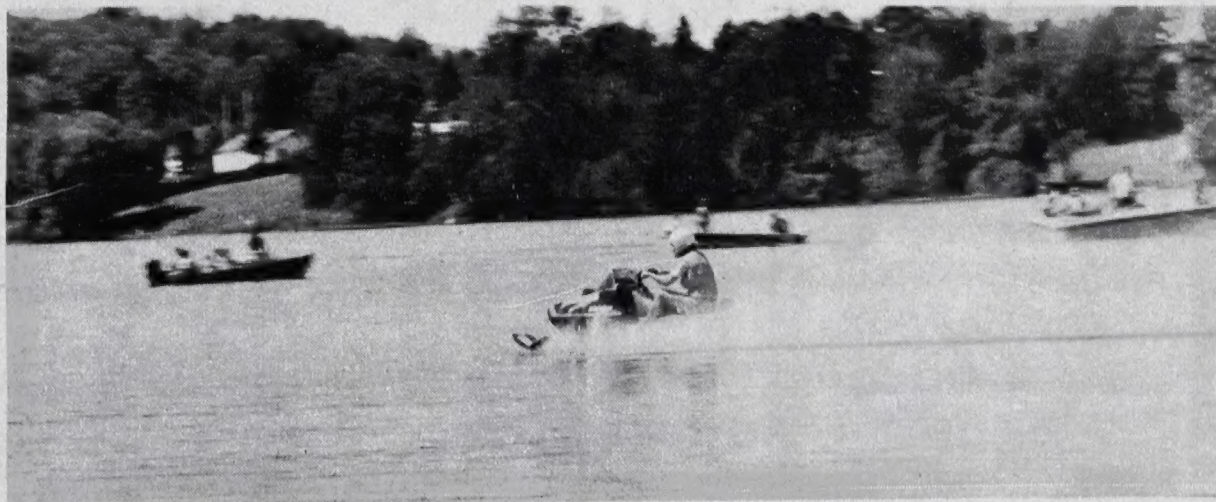

She was attending a dance there on Sun., Aug. 12th and when it was over found her 1978 car with all its windows smashed and her four tires slashed. Damages have been set at \$1000. PC Weldon Popp.

Ingram Wessell wins heavy horse draw at Fair

MINDEN — One of the most popular attractions of any fair is the light and heavy horse draws and the 115th Haliburton County was no exception. Pictured above is Ingram Wessell and his fine team in the heavy horse draw.

The team walked off with the Lawrence McKnight Memorial trophy with a pull of 8800 lbs. More fair photos inside this week's edition of The Express.

Paul Prentice went the furthest

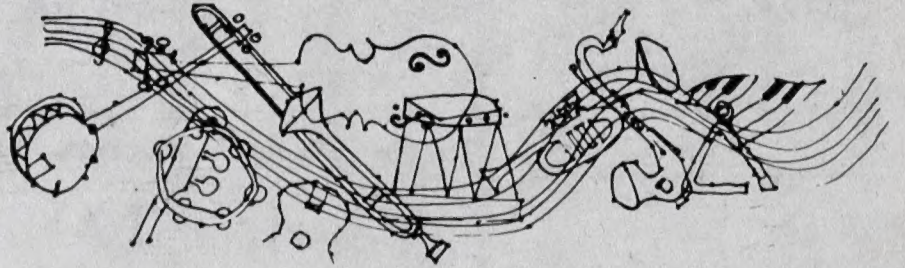

HALIBURTON — On Sunday afternoon at Head Lake, thousands of spectators lined the shores to watch the first "how far can you go" competition sponsored by the local Kinsmen Club. Only two snowmachines were entered in the competition, but Paul Prentice of Prentice Rds. Minden, made it a successful afternoon as he managed to get his machine across the 1150 foot distance to the

delight of the crowd. However, a 440 Yamaha, driven by Rob English of Haliburton was less successful, managing to make the 500 foot mark before sinking into the lake. Mr. Prentice then tried to get his 7500 Skidoo to cross the entire length of Head Lake but unfortunately only managed to get halfway before going under.

Rob English didn't make it ...

\$10,000 in damages follow five weekend collisions, one hurt

MINDEN — OPP report the following activity for the period of Aug. 6-12. During this time they charged 17 persons with boating infractions, nine messages were delivered, 18 persons were charged with liquor violations and two were charged with impaired. Scarborough woman suffers broken arm

Donna McMahon 30, of Scarborough, was southbound on Hwy 519 near Haliburton on Monday, Aug. 6th when she lost control of her car on the shoulder and rolled down an embankment. McMahon was taken to Haliburton hospital. Damage, \$2000 and another \$100 to the guide posts and fence. A passenger in the car James Shorrocks 24 of Scarborough, suffered minor injuries as well. PC Jim Solway.

Willowdale teenager hits guide posts

Also on Monday, Aug. 6, a Willowdale teenager was northbound on Hwy 35 south of the Beech River bridge, came upon the site of another collision, braked her stationwagon and struck some guide posts. Janine Purves 17, escaped uninjured but damage was set at \$410 to the car and \$50 to the posts. PC Boyd Jarvis.

Meaford woman charged with impaired

MINDEN — Janice Alderdice 22, has been charged by Minden OPP with impaired driving, following a collision on Hwy 35 just south of the Beech River bridge. Alderdice was northbound when her car skidded on the pavement and collided with a southbound car driven by Daniel T. White 17, of Whitby on a curve. The car was damaged for \$3000 while the White's vehicle received \$900 in damage. PC Jarvis.

\$2000 damage in Cty. Rd. 1 collision

At 11:10 am on Monday, Daryl Mowat 25 of Midland was westbound when he lost control of his vehicle on the north shoulder and entered the south ditch. PC Barry Connelly.

Car strikes tree damaged to \$1500

Early Sunday evening, Aug. 12 a St. Catharines teenagre was southbound on the Bat Lake Road near Minden, when her 1972 car entered the west ditch striking a tree. Karen Lewkowitz 19, escaped the mishap without injury. PC Brian Dunham.

Record crowds at Fair dance and parade

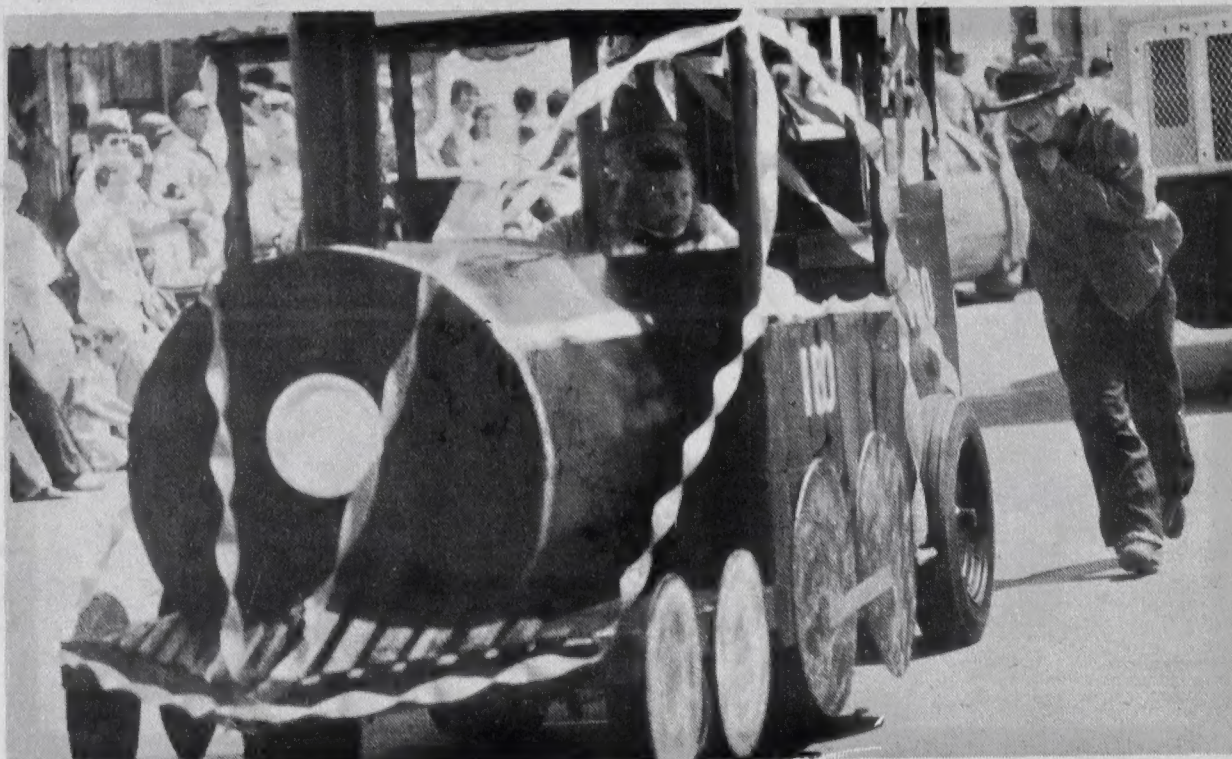

The 115th Haliburton County Fair is now over but not forgotten. For the organizers of the Minden Agricultural Society, this year's fair proved more popular than past years and competition was keen in most areas. Mrs. Loretta Nesbitt, President of the society, told The Express that attendance was up both Saturday and Sunday.

The ever popular beer garden Saturday afternoon was a sell-out and the Saturday night dance with headliners Dallas Harmes, Harold Cracke and

Johnny Burke and Eastwind saw the arena packed with over 700 in attendance.

With perfect weather on both days, the horse draws, exhibits in the curling rink, the talent contest and kiddies contests were all successful and an estimated 4000 people walked through the grounds this year.

The fair committee are to be congratulated on such a well done job presenting the 115th county fair.

Santa and Rudolph win costume contest

MINDEN — Barbara Connors (left) of Cameron walked off with the Open Costume Class, at the County Fair on Saturday. The theme this year was Song Titles and Barbara used Rudolph the Red Nosed Reindeer. 2nd place went to Lorrie Long of Lindsay with Put On Your Old Grey Bonnet and 2nd (above) was Michele Ayton (right) of Waukegan with Wonder Woman.

Cathy Mann wins bubble gum contest at Fair

MINDEN — The two-day bubble gum blowing contest was a very popular event at this year's fair, with dozens of youngsters trying to win the money by blowing the largest bubble. Cathy Mann really had the right technique, (far left above) as she captured the first place money on both days. Second on Saturday was Derek Allison and third was his sister Dale. On Sunday, second place went to David Coulter and third to Leonard Beaton. Cathy Mann is from Carnarvon while all others were from Minden.

Fenelon Victoria Sports wins Fair softball tournament

MINDEN—The 115th annual Haliburton County Fair would not be the same without the annual men's softball tournament. Once again this year the competition was keen as almost everyone of the seven games were decided in the final innings.

The championship game was played on Sunday evening and Fenelon Falls upset the favoured Minden Merchants 3-1 and captured the Carling O'Keefe trophy.

The Fenelon squad jumped on Minden early as the first two men up in the game scored. Steele was hit by a pitch by Minden hurler, Craig Stamp who then singled, Switzer singled and Humprey singled to account for the early 2-0 lead.

In the fifth, Minden halved the count to 2-1 when John Welch walked, stole second and scored on a single by Barry Shaw. However, Fenelon got an insurance run in the sixth when McGuinness singled, stole second and scored on a single by Burns. The MVPs were Humprey for Fenelon and Stamp for Minden.

The Consolation final was won by Lindsay's Billings Mercury Jrs. 7-4 over Toronto's Caesars Palace. Toronto took an early 3-0 lead when they scored one in the third inning and twice in the top of the

4th. However, the Jrs. got it going in the bottom of the 4th when Bob Puffer walked and scored on a towering homerun by J. Hutton. Another walk went to Phil Henneseu and a double by W. Currins tied the game.

In the fifth, Toronto went up 4-3 on a single by Ben Champ and a double by Eric Moore. Lindsay tied the game 4-4 in the bottom of the inning on a triple by LaFete and a ground out by Hutton. In the sixth Lindsay scored three times, when Henneseu, Lytle and Currins all singled and LaFete doubled. MVPs were LaFete for Lindsay and Tor. Mazzota.

In other games leading up to the finals, Fenelon edged Huntsville 3-2, Huntsville's Drug Mart edged Lindsay 7-6, Minden trounced Toronto 7-1 on two homers by Shaw and Nicholls, Fenelon downed Drug Mart 4-3, Lindsay whipped Huntsville Gulf 7-3. R. Drinkwater smashed a grand slam homer in this contest.

BPAO conference changes YBC rules for 1979-80

Several of the Youth Bowling Council (YBC) rules were rewritten to bring them up to date and to try and clear up misunderstandings that have occurred in the past at the 1979 Bowling Proprietors conference held in Saskatoon.

The new rules are: the YBC program will be co-ordinated in each bowling centre by a program director appointed annually at the discretion of the proprietor-manager of the centre. He must be 18 years of age or over as of Jan. 1st, 1979.

"Bowlers transferring their membership from one centre to another must first receive the approval of the Provincial YBC. For the YBC 4 Steps to Stardom, YBC bowlers must compete in the bowling centre where he or she is registered unless a transfer prior to the end of the first qualifying week has been approved by the Provincial YBC.

"For the 5 pin 4 Steps to Stardom, YBC program directors will be reporting the names of the coach-chaperones for the teams no later than Feb. 3, 1980. A coach-chaperone must be actively involved in the operation of the YBC. The only requirement necessary for the position of coach-chaperone is that the person selected must be a responsible individual who is interested first and foremost in the health and welfare of the competitors. A coach-chaperone must be 18 or over. The National YBC recommends that a proprietor-manager not assume the role of coach-chaperone.

New membership pins for Golden Age bowlers

In lieu of the award ribbons formerly issued for membership in the Golden Age bowlers club, the new season will see the introduction of a celluloid window type pin about 2 1/4" round. The pin will be gold in color with black printing and will include the registered logo and the wording '1979-1980 member.' The window in the pin will allow the co-ordinator to print or type the members name on a small white card and inserted in the pin.

Membership in the club will remain at \$1.50. \$1.00 of which is for registration and .50c is forwarded to the Province for provincial expenses.

While some of the cresting awards will be re-designed, there will be no other changes to the program. Survey forms received from co-ordinators at the end of last season, indicated that 113 of 158 were pleased with the pins awarded for various levels of achievements. Based on this, it was decided to continue with this system for the new season.

LAWN BOWLING NEWS

A grant was received from the Federal Government through the Department of National Health and Welfare, to start an Indoor Lawn Bowling club in Minden. That club will officially open on Saturday, Aug. 18th at 2:30 pm in the curling club building at the fair grounds. A welcome is extended to all those who are interested in joining or just to be a spectator.

PL off to CNE championships

On Saturday afternoon at the CNE, the Peterborough Lumber bowling team, representing Carnarvon Lanes, will be trying to win the Five-Pin bowling championship. There are 24 teams entered this year and the winner will be declared on a three-game, most pins over their team average. PL will be going into the championships with the highest team average of 1260 for six men. Here's wishing them good luck. Back row left to right, Doug Robinson, Cliff Burke, Harris Steele and Bob Robinson, seated, Jim Wilson and Fred Cox. Missing from the pic is Albert Cox. The team will bowl at noon in the Collisum

3 lb. Bass wins derby

Although the catch was smaller than last year's 5 1/2 pound winner, the Elephant Lake fishing derby was on Monday, July 30 and ended Friday, Aug. 3rd.

Winner of this year's derby was Bill Ross of Toronto. He and his wife Terri, have been staying at the lodge for the past two weeks and he comments its fantastic. His trophy was presented to him by the 1978 fishing derby winner, Ron Metzger of Forest, Ohio.

The winning fish was a largemouth bass, weighing 3 lbs. 8.oz. and measuring 20 inches in length. The fish was caught using a live frog for bait which is Bill's favourite bait.

DO IT NOW

Environment Ont. has unusual jobs for students in Hal.-Kaw.

Environment Ontario is employing 12 students on a survey of septic tanks and sewage systems for about 1900 cottages on 11 lakes in the Kawartha, Muskoka and Haliburton areas this summer.

The lakes include, Gold, Beaver, McGuinness, Mississauga and Catchacoma in the Kawarthas; Big Esson, Miskawabie, Haliburton, Grass and the north end of Kshagawigamog in the Haliburton area; parts of Nine Mile and Lake Muskoka.

The project has two objectives: To find any cottagers who aren't disposing of their sewage in an environmentally safe way, so that abatement officers can ensure corrective measures are taken and to sample drinking water supplies on the property, to determine safety through quality tests in the lab.

Students set out in pairs to interview cottagers, sketch the property, inspect the pipes, check the location of the tank and look for any surface discharges. The system is then rated for quality and the survey is complete.

The program began in 1970, with the major Kawartha Lakes through the Trent Canal. According to Mr. Joe Olajos, the private abatement officer who has supervised the program since it started in the Peterborough district, it was not uncommon at that time to find raw sewage dumped directly into a lake.

"These days we find virtually none of the blatant polluters we often found through the initial surveys. People are more aware of their environment now, although 40 percent of the cottagers still require some correction to be totally pollution free," said Mr. Olajos. "Most of the people are really very co-operative," said Ken Gawley, a Western University student working for the Peterborough program based at Beaver lake. They realize its going to benefit the cottage community if the problems are cleaned up now, while they're still not too serious.

"It's a career-related experience for me, said Vicky Johnson, a biology major at Queen's whose hometown is Peterborough. "Meeting so many friendly cottagers has also made it a lot of fun."

Gathering of Makers, Aug. 20

The Haliburton School of Fine Arts are sponsoring a "Gathering of Makers" to be held Aug. 20-22 in the village. Guest speakers will be Wim Gilles, Ruben Nelson, Taizo Miake and John Harrison. An additional 28 professional craftspeople will also be on hand for the verbal exchange "why we do what we do."

The public are invited to meet these artists on Monday at a pot luck supper at the Station Gallery. If you would like to attend please contact Robin Curry, 457-1783 to find out what 'dish' to bring.

The Guild also wishes to give special thanks to the many people in the community who donated the high quality items which were sold at the auction at the Rails End Gallery last week. These were not ordinary second hand goods, they were fine crafted pieces, antiques and good useful household articles.

Rockhound Fair, Wilberforce

Although the Bancroft Rockhound Gemboree for 1979 is over, the Wilberforce area will be having their annual "Rockhound Fair" from Friday August 17 to Sunday the 19th. Activities will begin on Fri. at 6 pm and continue until 10. On Sunday they start at 10 am and finish at 6 pm.

Lynn Binskin of the Wilberforce Rockhound Rendez-vous Shop, had a display in Bancroft and part of her display was information about the Wilberforce fair in which she is very active. Lynn and others take people out on the advertised mineral collecting expeditions and she adds that the serious collectors do not look for pretty rocks but have made collecting an exact science.

Some of the precious rocks in the area include: Sodalite, Apatite, Fluor-Richterite, Amazonite and Trilliumite.

Several rock collecting tours will be on Sunday as well as other important displays and presentations which will be informative to the serious rock collector and even fascinating to the novice.

STANHOPE NOTES

by A. F. Stevenson

We understand that a selection has been made to serve as fire chief of the Stanhope department and also a another to fill the position of deputy chief.

At the public meeting to be held Thursday, Aug. 16 applications will be accepted from those wishing to become members of the re-organized department. The public are urged to attend this meeting and particularly those who may be interested in becoming members of the volunteer force.

The tennis courts are proving to be quite an attraction and have been in steady use. Arrangements are being completed for the festival of fun day on Sat. Aug. 18. The committee hopes that the public will be on hand in large numbers for the official opening of the community centre.

Questions have been raised regarding the disposal of any income from the event. Any income will be derived from sales of beef, pop, hot dogs and from the dance and this will be used to pay the expenses involved in putting the affair on. Any surplus will go into a special fund to be used toward a Stanhope day next year.

The horseshoe pitching enthusiasts are reminded to be on hand between 9-10 am to register on the morning of the 18th. Donations to the bake sale will be gratefully received during Saturday afternoon at the hall.

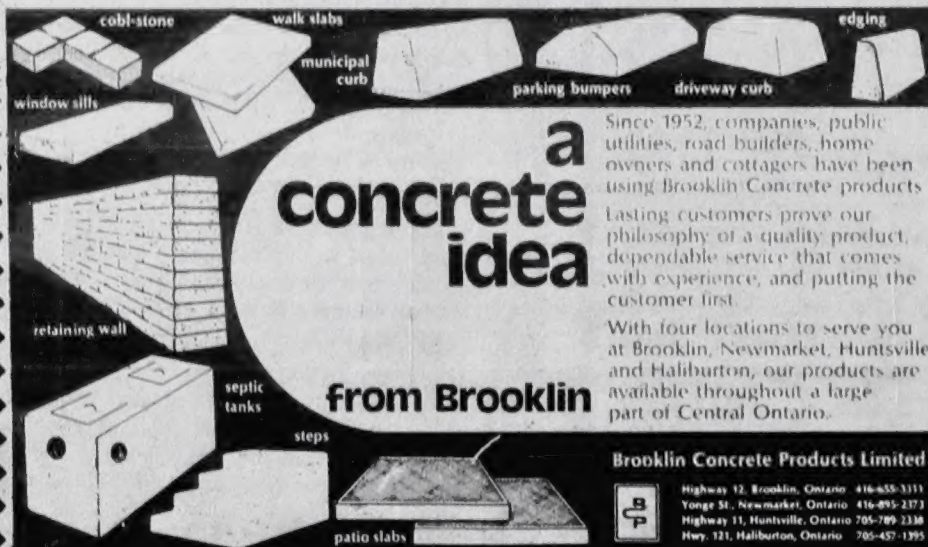

The art show to be seen at the library as part of the fun day program will have on display some works by a number of fine artists. Among the paintings to be seen are a number by Pauline Kuhla who has been kind enough to place her works of Haliburton and Muskoka scenes. Unfortunately she will not be in attendance as she is in Ireland.

Residents from Extencicare and from Highland Crest will be on hand and we hope they will find the day a pleasant outing as they join in honouring Charles Fader on the occasion of his forthcoming 100th birthday.

The tent for the children's theatre and also for the puppet show will be in place Friday so come Saturday bring the children to enjoy that part of the program—it's free and is put on by a qualified group of performers.

Thinking Slim

BY JEAN NIDETCH

Sally is a traveling saleslady who has lost 40 pounds over the last few years.

"I've never felt better," she says. "While I was losing, I was working in the office of a large industrial firm, but I always had my eye on a sales position with them. And when one opened, with a lot of confidence in my new figure, I applied and was delighted when I was accepted."

But Sally discovered that she had overlooked one important aspect of her new work.

"As much as I enjoy getting up at all hours to meet planes and trains and putting in long hours —

often over lunch and dinner — it did take some adjusting. And in the beginning, I found myself taking the line of least resistance as far as my weight control program was concerned. I had reached goal weight, but staying there was in jeopardy."

"If I arrived in a hotel late at night and couldn't get a piece of fruit or something equally safe to nibble on, I'd sneak over to the snack machine down the hall thinking, 'Well, just this once.' If I were forced to wait in the airport and the coffee shop only offered greasy fast-food, I'd think, 'Well, I'm so active now, it can't hurt.'"

Little by little I slipped into bad eating habits. When I began gaining, though, I realized my new lifestyle wasn't an excuse for a *carte blanche* food-style, so I sat down and planned

how to stay on my weight program and I've been doing it successfully for some time now.

"First, I always call the airline ahead and order the low-calorie meal which most airlines have these days. Then, I always carry a supply of bouillon cubes or packets so I can satisfy myself in any airport with a tossed salad, a cup of 'soup' and tea. Plus, I pack a small container of fruit so that I don't even have to think about candy and cookie machines. And if I have my choice of restaurants, with or without the customer, I always suggest a good basic one where I can get simply prepared fish or meat. If not, I ask

the waiter to prepare my order that way, which means the customer can eat what he or she prefers, and I can, too."

Sally has been breezing through her territory like that for months, happy, successful and thin. So you see, my friend, even if your situation doesn't match Sally's, with a little foresight, you can accommodate any situation to your own needs. Anywhere!

Are you worried about your child's weight problems? Send a long self-addressed stamped envelope to **THE FAT CHILD... BORN OR MADE?** Thoughts on feeding from infancy to adolescence. Jean Nidetch, c/o this newspaper. The words **FAT CHILD** must appear on your envelope.

The pot at the end of the rainbow usually proves to be the product of middle age.

THE TOWNSHIP OF STANHOPE APPOINTMENT FOR HEARING

IN THE MATTER OF Section 35 of THE PLANNING ACT
(R.S.O. 1970, c. 349),

— and —

IN THE MATTER OF an application by
The Corporation of the Township of Stanhope
for approval of its Restricted Area By-law 78-23

APPOINTMENT OF HEARING

THE ONTARIO MUNICIPAL BOARD hereby appoints, Monday, the 24th day of September, 1979 at the hour of one o'clock (local time) in the afternoon at the Stanhope Township Municipal Office, Hamlet of Maple Lake, for the hearing of all parties interested in supporting or opposing this application.

If you do not attend and are not represented at this hearing, the Board may proceed in your absence and you will not be entitled to any further notice of the proceedings.

In the event the decision is reserved, persons taking part in the hearing may request a copy of the decision from the presiding Board Member. Such decision will be mailed to you when available.

DATED at Toronto this 31st day of July, 1979.

Explanatory Note

This By-law, which amends Restricted Area By-law No. 77-15, which was passed by the Council of the Corporation of the Township of Stanhope on May 11, 1977 and a copy of which was sent to every Ratepayer on July 25, 1977, generally applies to all land within the Corporation of the Township of Stanhope yet deals with some site specific matters. The purpose of this By-law Amendment is to resolve appropriate objections received from Ratepayers pertaining to By-law No. 77-15; and, to upgrade some particular provisions and language of By-law No. 77-15.

It should be noted that the original By-law being Restricted Area By-law No. 77-15, which was mailed to all Ratepayers on July 25, 1977, may be viewed by any and all individuals at the Township Municipal Office during normal working hours.

This By-law Amendment is divided into a number of clauses which amends certain sections, subsections and plates of Restricted Area By-law No. 77-15. It is suggested that the reader refer to each clause within the attached By-law when reviewing the following explanation.

Clause 1 — The language was changed slightly for clarification so that an O.L.S. survey, although still required, must be sufficiently clear and detailed but that the survey will not be registered.

Clause 2 — Certain lands in Lot 30, Concession V were previously classified specifically for an airport facility. This situation no longer exists and therefore reference to the specific site was deleted.

Clause 3 — A separate distance for clear-cutting or stripping via logging operations was established in close proximity to Residential Zones. The language was also clarified which would specifically permit selective cutting practices within the separation distance.

Clause 4 — This subsection was amended to correct a minor typing error, and the provision remains otherwise unchanged.

Clause 5 — This subsection was modified to permit a private cabin within the Shoreline Residential Zone in conjunction with either a seasonal dwelling house or a single-family dwelling house. Previously such a cabin was permitted only with a seasonal dwelling.

Clause 6 — This Subsection was modified to permit a seasonal or single-family dwelling house on a private road under specified conditions. Previously only a seasonal dwelling was permitted on a private roadway.

Clause 7 — The definition was modified so that a single-family dwelling, by definition, would be equated to a dwelling used and occupied as a permanent home.

Clause 8 — The definition was modified so that a seasonal dwelling, by definition, would be equated to a cottage.

Clause 9 — Minor zone classification changes were undertaken as a result of public objection input and subsequent Council decisions. The specific sites are denoted in Appendix 1 and 2 of this Explanatory Note.

Clause 10 — This modification is correcting a typing error which referred to an improper footnote.

Clause 11 — This modification is correcting a typing error which referred to an improper footnote.

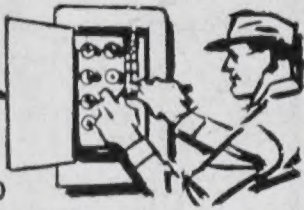

Clause 12 — This is the enactment portion of the By-law Amendment.

A Precedent That Hurts

By W. Roger Worth

The trend by Canadian governments to tax everything in sight gained further momentum recently when the Conservatives in Newfoundland made history of sorts by placing a 4% tax on media advertising.

Quebec introduced a 2% tax on broadcast advertising two years ago, but Newfoundland is now the only province in the country that taxes all media advertisements worth more than \$20.

Roger Worth is Director,
Public Affairs,
Canadian Federation of
Independent Business.

It may be only a matter of time before other provinces follow suit, duplicating Newfoundland's unique tax.

So who should care, other than the advertisers that are forced to pay the tax, as well as the radio stations and weekly and daily newspapers that have to collect the money.

Like any other hidden tax, the costs will certainly be passed on to the public in the form of higher priced goods and services, so consumers will eventually foot the bill.

Nevertheless, the public generally blames business for price increases, so the government receives the extra revenue without having to accept the responsibility for its actions.

A nifty ploy indeed.

More important, though, is the potential adverse effect of such hidden taxes on smaller weekly newspapers and radio stations, particularly if advertising taxes are introduced in other provinces.

Many of these newspaper and broadcast businesses are not big moneymakers. But they provide a crucial service to the public, pulling together the diverse elements in the communities in which they operate.

These smaller enterprises will be the first to suffer if advertisers incorporate cutbacks as a result of the tax. Instead of creating another layer of tax-collection related paperwork, making life difficult for the small town media, the Newfoundland government would be better advised to tap people's pocketbooks directly through provincial sales or income tax increases. Then the public would know who to blame.

By introducing the unique advertising tax, Newfoundland is out of step with the rest of the country. Hopefully, other provinces will take a long, hard look before they follow Newfoundland's lead.

And if it's not too late, perhaps the legislators in Canada's easternmost province might reconsider. The advertising tax is a precedent of the wrong kind.

Berries Salute The Season

Be innovative this fresh strawberry season. Create an easy and elegant Strawberry-Pineapple Parfait that follows the fashionable layered look. Sliced fresh strawberries are folded into thickened Jell-O strawberry flavor gelatin which has been made with the addition of ice cubes. This reduces the preparation time considerably by eliminating part of the setting-time wait. Finished parfait has a bottom and top layer of the berry-gelatin mixture. Middle layer is a combination of crushed pineapple, chopped pecans and sour cream. Chilling time until set is about 30 minutes, then on to the dining table with additional strawberry garnish.

STRAWBERRY-PINEAPPLE PARFAIT

- 1 can (8-1/4 oz.) crushed pineapple in syrup, drained
- 1/4 cup chopped pecans
- 1/2 cup sour cream
- 1 tablespoon sugar
- 1 package (3 oz.) strawberry flavor gelatin
- 1 cup boiling water
- 2 cups ice cubes
- 1-1/2 cups sliced strawberries, chilled

Combine pineapple, pecans, sour cream and sugar; set aside. Dissolve gelatin in boiling water. Add ice cubes and stir constantly until gelatin starts to thicken, about 3 to 5 minutes. Remove any unmelted ice. Fold in strawberries. Spoon half the gelatin mixture into 6 to 8 parfait glasses. Add pineapple mixture and top with remaining gelatin. Chill until set, about 30 minutes. Garnish with additional strawberries, if desired. Makes about 4 cups or 6 to 8 servings.
